COOL AS A BREEZE

We've put our years of innovative creativity into the PT Cruiser Convertible, combining an exhilarating open-air ride with the versatility of PT. The three-layer cloth top includes a glass rear window with electric defroster, so you can be ready to go no matter what the weather. And whether it's top up or top down, the frameless smart glass windows automatically raise and lower to maintain a tighter seat and quieter ride. Even the innovative sport bar reduces wind noise to make the interior of the PT Cruiser Convertible truly conversational.

ENGINES

Pick up the pace with PT Cruiser Convertible's high-output 2.4-liter turbocharged engine. It creates 230 horse-power at 4,500 rpm and 245 lb-ft of available peak torque from 2,400 to 4,400 rpm. This engine is standard on PT Cruiser Convertible GT.

A turbocharged 2.4-liter DOHC 16-valve 4-cylinder engine producing 180 horsepower and 210 lb-ft of torque is available on PT Cruiser Convertible Touring Edition.

PT Cruiser Convertible's standard 2.4-liter DOHC 16-valve 4-cylinder power plant offers 150 horsepower at 5,100 rpm and 165 lb-ft of torque at 4,000 rpm. You'll appreciate those numbers when you step on the gas pedal to climb a hill or pass another vehicle.

AIR BAGS

The PT Cruiser Convertible experience includes a reassuring sense of protection. That's because we've included some of the most up-to-date safety features like Advanced Multistage driver and passenger front air bags*.

The available supplemental side air bags* (standard on PT Cruiser Convertible GT) offer additional protection for driver and front-outboard passenger in the event of a collision.

**Always use seat belts. Remember, a back seat is the safest place for children 12 and under.*

VERSATILITY

Don't sacrifice versatility for exhilaration—with the PT Cruiser Convertible you get both. The 50/50 split Fold-and-Tumble™ rear seat allows you to fold flat one or both of the seats to accommodate cargo and passengers. And the cargo pass-through from the trunk is perfect for transporting longer items like two full-size golf bags.

INTERIOR STYLING

The depth of design innovations doesn't stop with the PT Cruiser Convertible's exterior. The interior styling is equally luxurious, refined, and designed to fit you.

With three convertible models to choose from, the level of convenience is up to you. But no matter which one you choose, you'll get power windows, 50/50 split Fold-and-Tumble rear seats, and rear defrost, standard.

SOUND SYSTEMS

A crakin' sound system is a must. And PT Cruiser brings it on. With state-of-the-art components pumping out impeccable sound quality, cruising never sounded better!

- AM/FM stereo with CD player, changer controls, 6 speakers, and auxiliary input jack is standard on all models.
- AM/FM stereo with CD player, 6-disc, MP3 capability and 6 speakers is available on Touring, Limited Edition and GT.
- Boston Acoustics™ Group includes 6 premium speakers, subwoofer, and 368-watt amplifier (available on Touring, Limited Edition and GT).

Properly secure all cargo.

CARGO SPACE AND SEATING

If you appreciate having all kinds of places to put your things, you'll be impressed with PT Cruiser Convertible. It doesn't make you choose between cargo and passengers. In fact, this new addition to the Chrysler line provides fold and tumble seats for a category-leading 13.3 cubic feet of maximum cargo space—more than you'd ever expect from a convertible. It's perfect for running errands around town, packing for an extended road trip, or even hauling the lumber for your next home-improvement project.

Properly secure all cargo.

STORAGE

Once again, freedom of choice prevails. Fold down one rear seat and carry one rear-seat passenger, with the other rear-seat space devoted to gear. You can also fold both halves down, or tumble them both forward, so you and a front-seat friend can carry twice as much gear in the back. All told, PT Cruiser Convertible is all about versatility.

Properly secure all cargo.

PT CRUISER CONVERTIBLE COLOR OPTIONS

AVAILABLE EXTERIOR COLORS

CONVERTIBLE

Not all models are available in all colors.

WHEEL OPTIONS

Clearly PT Cruiser Convertible's style is more than the sum of its parts

1. 15-inch wheel cover, standard on PT Cruiser Convertible.
2. 16-inch painted cast-aluminum wheel, standard on PT Cruiser Convertible Touring Edition.
3. 16-inch chrome-clad cast-aluminum wheel, optional on PT Cruiser Convertible Touring Edition.
4. 17-inch chrome-clad cast-aluminum wheel, standard on PT Cruiser Convertible GT.

SEAT OPTIONS

- PT Cruiser Convertible and Touring feature standard Bauhaus cloth seats in Pastel Pebble Beige(1).
- PT Cruiser Convertible Touring Edition also features standard Bauhaus cloth seats in Pastel Slate Gray(2), optional Alias cloth in Pastel Slate Gray(3) and Pastel Pebble Beige(4), and optional Royale Leather trim in Pastel Pebble Beige(7).
- PT Cruiser Convertible GT features standard Royale Leather trim with two-tone Axis perforated inserts in Pastel Pebble Beige(5) or Pastel Slate Gray(6).
